FIRST HOLY COMMUNION After 5 busy weeks our last parish group made their First Holy Communion last Sunday. Congratulations to all 17 children who have been delightful to work with this year. Thank you to Father Michael for his warm welcome and prayers for the children and their families; to the choir and organists for contributing such lovely music to these special occasions; to parishioners for their good wishes and patience, especially when space has been tight at times and to the stewards for helping us to be organised for each group. Looking ahead, we already have names for next year's groups, beginning with First Communion classes from November and Confirmation from January 2023. If you know of families who would be interested in joining us, please pass on this information. Classes for Communion are open to Baptised Catholic children in Year 3 and above and for Confirmation to those in Year 6 and above.

SCHOOL NEWS Dear all, The children have enjoyed the amazing weather we have had this week. We have focused on the environment and how we are called to look after God's world this week. The children are really quick at make links between all their different areas of learning and existing knowledge and new knowledge! Our Mission 'With Grace and humility Glorify the Lord with your Life', comes straight from the Gospels, St Francis followed this mission with his great love and respect of the world God has made. Pope Francis has continued the call to Glorify the Lord with our lives and look after God's world in his encyclical Laudato Si. This week, we have looked at the reality of how we recycle, compost and re-use and how this will sustain God's world for future generations! As always we hold the parish in our prayers
